

Privacy Policy

We, at PM Technology Solutions Pvt Ltd are committed to respecting your online privacy and recognize your need for appropriate protection and management of any personally identifiable information you share with us on becoming member of our job portal pmtsjobs.com.

When the user accesses our website or mobile app through any device then in order to provide a personalised browsing experience, autojobs4u.com may collect technical or other related information from the user, including without limitation contact lists in his device and its location. User may also be asked to complete a registration form. When the user provides us his preferences, we will be able to deliver or allow him to access the most relevant information that meets his requirements.

As general understanding of protecting your personal information, we mean any information that may be used to identify an individual, including, but not limited to, a first and last name, a home or other physical address and an email address or mobile/landline number or any other contact information, whether at work or at home. In general, you can visit autojobs4u.com web pages without telling us who you are or revealing any Personal Information about yourself.

Policy on Information Tracking & Technologies used

Some of our web pages uses "cookies" and other tracking technologies. A "cookie" is a small text file that may be used, for example, to collect information about activity on the web site. Some cookies and other technologies are needed to recall Personal Information previously indicated by a Web user to avoid re-entering of data again and again. Most browsers allow you to control cookies, including whether or not to accept them and how to remove them.

You may set most browsers to notify you if you receive a cookie, or you may choose to block cookies with your browser, but please note that if you choose to erase or block your cookies, you will need to re-enter your original user ID and password to gain access to certain parts of the web site.

When the user browses our website these tracking technologies may record information such as internet domain and host names; internet protocol (IP) addresses; browser software and operating system types; clickstream patterns; and dates and times of access. The purpose of all this tracking is to improve web site performance and users web experience. We may also analyse information that does not contain Personal Information for trends and statistics.

Policy on Access to Other Service Providers

External service providers are important means by which PM Technology Solutions Pvt Ltd maintains its web sites and mailing lists. These third parties provide these services on www.autojobs4u.com on behalf of PM Technology Solutions Pvt Ltd We may provide information, including personal information collected on our pmtsjobs.com site to these third party service providers to help us deliver program, products, information, and services.

PM Technology Solutions Pvt Ltd will take reasonable steps to ensure that these third party service providers are obligated to protect personal information on our behalf.

PM Technology Solutions Pvt Ltd does not intend to transfer personal information without users consent i.e. your consent to third parties who are not bound to act on PM Technology Solutions Pvt Ltd behalf unless such transfer is legally required. Similarly, it is against PM Technology Solutions Pvt Ltd policy to sell personal information collected online without users consent.

User Consent

By using this web site, you consent to the terms of our online Privacy Policy and to PM Technology Solutions Pvt Ltd processing of Personal Information for the purposes given above as well as those explained where PM Technology Solutions Pvt Ltd collects Personal Information on the web.

Information Security Policy & Measures

We take appropriate security measures to ensure protection against unauthorized access to or unauthorized alteration, disclosure or destruction of your personal information.

We restrict access to your personally identifying information to employees who need to know that information in order to operate, develop or improve our services.

Updating your information Policy

We provide tools and necessary mechanism for updating and correcting your personally identifying information for many of our services.

Children

PM Technology Solutions Pvt Ltd will not contact children under age 13 about special offers or for marketing purposes without a parent's/guardian's permission.

Information Sharing and Disclosure Policy

PM Technology Solutions Pvt Ltd does not sell, lease, or share users personal information with other people or non-affiliated companies except to provide products or services you've requested, when we have your permission, or under the following circumstances

We share only the relevant information to our trusted partners who work on behalf of or with PM Technology Solutions Pvt Ltd under confidentiality agreements. These companies may use your personal information to help PM Technology Solutions Pvt Ltd communicates with you about offers from PM Technology Solutions Pvt Ltd and our marketing partners. However, these companies do not have any independent right to share this information.

We respond to subpoenas, court orders, or legal process, or to establish or to exercise our legal rights or defend against legal claims.

We trust that it is necessary to share information in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of PM Technology Solutions Pvt Ltd.'s terms of use, or as otherwise required by law.

In case PM Technology Solutions Pvt Ltd is acquired by or merged with another company then in that event PM Technology Solutions Pvt Ltd will notify you before information about you are transferred and becomes subject to a different privacy policy.

Targeted advertisements based on personal information are displayed by PM Technology Solutions Pvt Ltd. Advertisers (including ad serving companies) may assume that people who interact with, view, or click on targeted ads meet the targeting criteria - for example, men ages 18 -35 from a particular geographic area. When you interact with or view a targeted ad you are consenting to the possibility that the advertiser will make the assumption that you meet the targeting criteria used to display ad. PM Technology Solutions Pvt Ltd does not provide any personal information to the advertisers when you interact or view a targeted ad.

PM Technology Solutions Pvt Ltd works with vendor, partners, advertisers and other service providers pertaining to various industries and businesses which mainly includes financial service providers (such as banks, insurance agents, stock brokers and mortgage lenders) and non-financial companies (such as automobile dealerships, education & training companies, stores, airlines, and software companies).

Confidentiality and Security Terms

We at PM Technology Solutions Pvt Ltd as a policy limit the access to your personal information to our employees who we believe reasonably need to come into contact with that personal information to analyse and provide products or services to you or in order to do their jobs.

We comply with the laws prevalent in India to protect personal information about you and we have physical, electronic, and procedural safeguards in place to take care of it. We seek to ensure compliance with the requirements of the Information Technology Act, 2000 as amended and rules made thereunder to ensure the protection and preservation of your privacy which is of prime importance to us.

Changes to our Privacy Policy

PM Technology Solutions Pvt Ltd reserves the right to update, change or modify this policy at any time. The policy shall come to effect from the date of such update, change or modification as when such changes are made.

Important Note:

The terms as mentioned in this agreement may be changed at the sole discretion of PM Technology Solutions Pvt Ltd at any time. PM Technology Solutions Pvt Ltd is free to offer its services to any client/prospective client without restriction

PM Technology Solutions Pvt Ltd welcomes your comments regarding this privacy statement at the contact address given at the website. If there are any concerns about contravention of this Privacy Policy then such concerns can be shared to us and we would employ all commercially reasonable efforts to address the same.

Disclaimer:

PM Technology Solutions Pvt Ltd takes utmost care to ensure that all or any data / information in respect of electronic transfer of money does not fall in the wrong hands. For completing online transactions involving payments a user is directed to a secured payment gateway. PM Technology Solutions Pvt Ltd does not store or keep any financial data such as credit card numbers/passwords/PINs etc or any "Personal Account Related Information". Since the transaction happens on a third party network not controlled by PM Technology Solutions Pvt Ltd, once an online transaction has been completed, the Personal Account Related Information is not accessible to anyone at PM Technology Solutions Pvt Ltd after completion of the on-line transaction at the payment gateway, this ensures maximum security.

PM Technology Solutions Pvt Ltd shall not be liable for any loss or damage sustained by reason of any disclosure (inadvertent or otherwise) of any information concerning the user's account and / or information relating to or regarding online transactions using credit cards / debit cards and / or their verification process and particulars nor for any error, omission or inaccuracy with respect to any information so disclosed and used whether or not in pursuance of a legal process or otherwise.
